To Whom it May Concern:

The above company is using my personal home address for their business. I contacted Corphelp previously and received a response from Cathy in Internet Access advising I need to contact this company myself and request them to remove my address. I have made an attempt to contact above company at the address listed above which I obtained from the Florida Corporations Website. I just received my mail back from the Post Office, "Return to Sender-Attempted-not known-Unable to Forward. The principal address of this company is my address at 808 Carnation Dr Sebastian, FL 32958. This address is my residence for over a year, and we did not purchase the house prior to that from above mentioned person or company.

As this company's corporation status was refiled electronically on Feb. 22,2006 by Secretary of State, would you please advise how I can have my personal address removed from this company? I have been unsuccessful in my attempt to contact whoever these persons are who are fraudulently using my address. My concern is liability issues if this company gets sued by a subcontractor or some other entity. I do not know what else I am to do to remedy this situation. Being that Baltic Truckings status as a corporation with the state, the state must have some way to contact this company and it's agents. Both address listed in the Florida Corporation site are invalid.

Thank you for your assistance.

Sincerely,  
Suzanne Tague
