Article V- Distribution of Membership Units

Each of the following investors and or managers in Gatorbuyback.com, L.L.C. will receive membership units that are proportional to the amount of capital and or time that they invest in Gatorbuyback.com, LLC. Each membership unit corresponds to 1% of equity in the company. Membership units are allocated according to the round of investment and agreement made with the company. For example, most investors in round 1 received one membership unit for every \$500 dollars invested or spent or behalf of Gatorbuyback.com. Investors should keep accurate records, stubs, and receipts for the money they give the company. Gatorbuyback.com, LLC will in turn keep accurate records of money received from investors.
