Re: Jackson Installations Inc. 1023 Laura Street Casselberry, FL 32707

To Whom It May Concern:

I, Gary Jackson, am writing to you because I have just realized after speaking to my accountant in the first time in the last couple of years that my LLC has been dissolved due to lack of filing a uniform business report. I have been sick during the point of which I have had the corporation opened and have barely been able to do business through it. Prior to being sick I also changed my address from the one stated on the website but I did have my address forwarded. I do not believe in that time I received a postcard stating that anything was due or any final notices like I have been told I should have received. I am sending a check of 100.00 to take care of the two years that I have missed filing my uniform business reports in hopes that I will be able to keep the business open and active. If there are any problems in doing this, please give me a call at 407-925-7622. Thank you for your help and cooperation in getting this matter taken care.

Gary Jackson

President
