Purpose of Company

The purpose for which the company is formed is to engage in any lawful acts or activities for which limited liability companies may be formed under Section 608 of the Florida Statutes or any successor statute.

Duration of Company

The company shall have a perpetual existence.

Units of Ownership

The maximum number of units of equity ownership which the company is authorized to have outstanding is 1,000 units.

The management of the company will be vested in two managers, who may be Members of the company, designated in accordance with the terms of the company's Operating Agreement. The initial managers shall be Steven C. Boggs whose address is 2920 Clubhouse Drive, Plant City, Florida 33567, and David W. Butcher whose address is 808 Sylvan Lane, Plant City, Florida 33563.

Indemnification

(A) The company shall indemnify any person who is or was a party, or who is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including all appeals, by reason of the fact that he or she is or was a Member, managing Member or employee of the company, or is or was serving at the request of the company as a director, trustee, officer or employee of another limited liability company, corporation, partnership, joint venture, trust or other enterprise, against any and all expenses (including reasonable attorneys' fees), judgments, decrees, fines, penalties and amounts paid in settlement, which were actually and reasonably incurred by him or her in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner which he or she reasonably believed to be in, or at least not opposed to, the best interests of the company, and, with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or at least not opposed to, the best interests of the company.

(B) The foregoing indemnification shall not apply in the case of an action, suit or proceeding instituted by one or more Members of the company, if the claim, matter or issue raised therein is determined by a court of competent jurisdiction to have resulted from the negligence or misconduct of the Member(s) seeking indemnification; provided, however, that such indemnification shall nonetheless apply if, in view of all of the circumstances of the case, such court shall determine that such Member(s) is/are fairly and reasonably entitled to indemnification, with respect to such expenses, judgments, decrees, fines, penalties and amounts paid in settlement as determined by the court.

(C) Expenses of each person indemnified hereunder, incurred in defending against a civil, criminal, administrative or investigative action, suit or proceeding (including all appeals), or threat thereof, may be paid by the company in advance of the final disposition of such action, suit or proceeding, as authorized by a majority in interest of the Members, upon receipt of an undertaking by such person to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the corporation.
