To whom it may concern,

As per phone conversation of 8/20/2008 with your office, this letter is to claim a refund on the late fee charge that was paid by credit card via the internet.

I did not receive any notice in January of 2008 for corporate filing including but not limited to of a change of date due or the increase of the corporate filling fee. In addition, I did not notice any red box that I should have clicked on the web site while submitting my payment to avoid a \$400.00 fee. I was very shocked when I saw the amount owed and assumed that I had somehow forgotten to file the previous year. I did not want to delay payment because I thought I was already a year late. After I finished paying, I proceeded to check previous filing and found that I had indeed filed and paid the previous year.

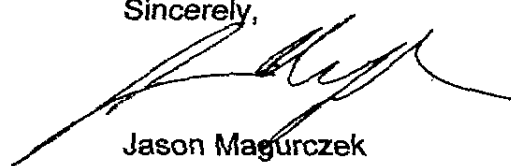

Please forward the refund check as soon as possible as this additional charge is a huge strain this slow business season.

Note that my address has changed. I submitted the new address online but it is not visible as of today.
