The diagrams illustrate various folding techniques for a rectangular sheet of paper to create a U-shaped container. Diagram (a) shows a simple fold where the top edge is folded down to meet the bottom edge. Diagram (b) shows a more complex fold where the top corners are folded inward and then the top edge is folded down. Diagram (c) shows the top corners folded inward, and the top edge is folded down to meet the bottom edge. Diagram (d) shows the top corners folded inward, and the top edge is folded down to meet the bottom edge, with the corners folded inward again. Diagram (e) shows the top corners folded inward, and the top edge is folded down to meet the bottom edge, with the corners folded inward again, creating a more defined U-shape.
