ARTICLE VII. DISSOLUTION

A. Dissolution Upon the Occurrence of Specified Events. The Company shall be dissolved and liquidated upon the occurrence of any of the following events:

- (1) The retirement, death, insanity, dissolution or withdrawal of all of the Managing Members.

- (2) The filing of an involuntary Petition in bankruptcy against all of the Managing Members if such petitions are not dismissed within ninety (90) days of the date of filing.
- (3) [Intentionally omitted]
- (4) The disposition of all Company properties.
- (5) Any affirmative vote of all the members and all of the Managing Members to terminate the Company.
- (6) Any other event that would cause a dissolution under the Florida Limited Company law.
- (7) In the event of a dissolution caused by an occurrence specified in (1) or (2) above, against some but not all of the Managing Members, the Company shall continue. In the event of a dissolution caused by an occurrence specified in (1) or (2) above against all of the Managing Members, if counsel (which is acceptable to a majority in interest of the Members) shall have delivered to the Company an opinion, in substance satisfactory to such Members, that neither the grant nor the exercise of the powers of the Members by consenting to continue the company and elect a new Managing Member will adversely affect (i) the limited liability status of a Member, or (ii) the tax status of the Company, then upon an affirmative vote of the majority in interest of Members such business shall be continued and a new Managing Member elected, conditioned on the new Managing Member accepting all responsibilities and releasing the departing Managing Members from all liabilities, in form satisfactory to those persons.
- (8) The retirement, death, insanity, disability, bankruptcy, dissolution or liquidation of a Member shall not dissolve the company, nor shall the transfer of a Limited Company interest dissolve the Company.
- (9) Dissolution shall be effective on the day in which the event occurs giving rise to the dissolution, but the company shall not terminate until the assets have been distributed.
- (10) The winding up of Company affairs and liquidation and distribution of its assets shall be conducted exclusively by the Managing Members or, in the event the Managing Members are unable or unwilling to act, by a trustee named by them prior to such event. The Managing Members or the trustee are hereby authorized to do any and all acts and things authorized by law to effect such dissolution, liquidation and distribution of the assets of the Company.
- (11) Except for prior amendment to this section, no act by the Company or its members, can avoid that dissolution.

B. Dissolution and Dissolution Avoidance Following the Dissociation of a Member.

- (1) Dissociation Defined. "Dissociation of a member" or "dissociation" occurs when the Company has notice or knowledge of an event that has terminated a member's continued membership in the Company.
- (2) Means of Avoiding Dissolution Following Member Dissociation.
  - (a) To avoid dissolution under this Section, the Company must have at least two (2) remaining members. If a dissociation leaves the company with only one (1) remaining member, that member may admit an additional member.

- (b) In addition to any means for avoiding a dissolution provided by statute, dissolution is avoided upon the dissociation of a member if, within ninety (90) days of the dissociation, consent to avoid dissolution is obtained from all of the remaining members. The consent may be by vote, at a properly called member meeting, or in writing.
