We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refile the complete document, including the electronic filing cover sheet.

Limited Liability Companies are not corporations. Limited Liability Companies are unique business entities with special characteristics and attributes formed under Chapter 608, Florida Statutes. Corporations, on the other hand, are formed under Chapter 607, Florida Statutes, and possess other distinctive traits and characteristics. Consequently, limited liability company documents cannot contain any references/terms which may implicate the entity is a corporation. Please delete any references to the term "corporation" or the like from your document.

Limited liability companies are either member-managed or manager-managed - not both. Member-managed companies are managed by the members of the limited liability company. Manager-managed companies are managed by non-members. Please amend your document to reflect either the limited liability company is member-managed or manager-managed. If the limited liability company is member-managed, list the names and addresses of the members who will manage the company and identify them solely as managing members. If the limited liability company is manager-managed, list the names and addresses of the non-members who will manage the company and identify them solely as managers. You cannot list both managers and managing members.

If you have any questions concerning the filing of your document, please call (850) 245-6094.
