Re: Annual Report

To whom it may concern, I attempted to file my annual report online in April and thought I had done so successfully. However somehow the process did not take and I have received an e mail saying that the entity will be revoked if the report and subsequent late filing fee is not paid by September 16, 2011. I called and spoke to Joey today and he spoke to you I believe. He said that it could be seen where I had made my attempt to file on line but that payment was not made. I am sorry for the trouble this has caused and truly appreciate your working with me to get this resolved. Joey further told me that if I sent you this letter and a check for \$138.75 payable to the Florida Department of State, that we should be able to straighten this out and get the LLC current again. I am not at all sure why my payment was not received and I will in the future be much more diligent in assuring that payment is made. The message at the end of your process on line warns to not click the payment button more than once or more than one payment will be made and I clicked once and assumed that was good. Once again I thank you in advance and I guess I will call or check on line to see if / when you are able to process this request.

Thank You, Bryant Taylor Enterprises / Gary L. Bryant
