We received an anonymous phone call around 8pm on Thursday evening, 10/6/2022, regarding changes that were made to our corporation through Sunbiz.org. We then got online and noticed that a person whom we did not know and have never heard of, named Rickie Strowbridge, had filed an unauthorized amendment and made changes to all of our company information such as, FEIN number, Registered Agent Name, and address without our consent.

We since have been online today Friday, 10/7/2022 and paid an additional \$50.00 to file an immediate amendment to change all of our information back to it's original state.

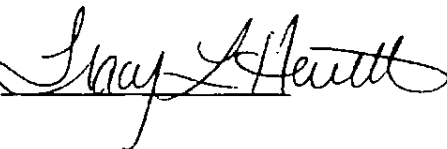

Should you have any further questions, please feel free to contact me at 1-727-776-1616 mobile or office at: 352-503-9952.

Thank you,

Mike Noel – Owner/Operator
