## STATEMENT OF FACT

### NON AUTHORIZED REINSTATEMENT OF CONSTRUCTION QUEST, LLC

Construction Quest, LLC Document Number L05000043059  
Construction Quest, LLC FEI/EIN Number 35-2254311

CONSTRUCTION QUEST, LLC was administratively dissolved in 2014. The final IRS returned was for the year 2014. I am a general contractor, and I was the owner of CONSTRUCTION QUEST LLC. I did the last annual report in 2014. I Checked the Division of Corporations page on [Sunbiz.org](http://sunbiz.org), and I noticed that Construction Quest, LLC was reinstated without my authorization or knowledge in May 2018.

The person who reinstated CONSTRUCTION QUEST LLC did it without my authorization, and are using the same FEI/EIN Number that was assigned to me.

Please be aware that I do not know the members nor the registered agent that appear on the Division of Corporations page on <http://sunbiz.org>, and I have never met them in person or any other way.

I went to the police and file a police report (case # 19-0739). I called the IRS and talked to an agent with Id #1002952145, and the agent told me that Construction Quest, LLC have not file anything with them since its last file return of 2014. The IRS wrote notes about what happened. I also contacted the Department of Business and Professional Regulations DBPR, and they let me know they are not using my General Contractor License nor any other.
