Hey Lyn,

This was sent back to us. Should this type of email be forwarded to Susan or should they write in a formal request?

Thanks,

Subject: change of last name for one of our managers (MGRM)

Hello,

We need to change the last name of Kelly Albertson, to Kelly Fishman -- we have recently married, and Kelly has just changed her name.

If this isn't the right way to take care of this issue, please let me know what is.

Thanks,
Jesse Fishman
