Instructions for Form SS-4

Department of the Treasury
Internal Revenue Service

(Rev. February 2006)

Application for Employer Identification Number

Section references are to the Internal Revenue Code unless otherwise noted.

General Instructions

Use these instructions to complete Form SS-4, Application for Employer Identification Number. Also see *Do I Need an EIN?* on page 2 of Form SS-4.

Purpose of Form

Use Form SS-4 to apply for an employer identification number (EIN). An EIN is a nine-digit number (for example, 12-3456789) assigned to sole proprietors, corporations, partnerships, estates, trusts, and other entities for tax filing and reporting purposes. The information you provide on this form will establish your business tax account.

An EIN is for use in connection with your business activities only. Do not use your EIN in place of your social security number (SSN).

Reminders

Apply online. Generally, you can apply for and receive an EIN online using the Internet. See *How To Apply* below.

File only one Form SS-4. Generally, a sole proprietor should file only one Form SS-4 and needs only one EIN, regardless of the number of businesses operated as a sole proprietorship or trade names under which a business operates. However, if the proprietorship incorporates or enters into a partnership, a new EIN is required. Also, each corporation in an affiliated group must have its own EIN.

EIN applied for, but not received. If you do not have an EIN by the time a return is due, write "Applied For" and the date you applied in the space shown for the number. Do not show your SSN as an EIN on returns.

If you do not have an EIN by the time a tax deposit is due, send your payment to the Internal Revenue Service Center for your filing area as shown in the instructions for the form that you are filing. Make your check or money order payable to the "United States Treasury" and show your name (as shown on Form SS-4), address, type of tax, period covered, and date you applied for an EIN.

Federal tax deposits. New employers that have a federal tax obligation will be pre-enrolled in the Electronic Federal Tax Payment System (EFTPS). EFTPS allows you to make all of your federal tax payments online at www.eftps.gov or by telephone. Shortly after we have assigned you your EIN, you will receive instructions by mail for activating your EFTPS enrollment. You will also receive an EFTPS Personal Identification Number (PIN) that you will use to make your payments, as well as instructions for obtaining an Internet password you will need to make payments online.

If you are not required to make deposits by EFTPS, you can use Form 8109, Federal Tax Deposit (FTD) Coupon, to make deposits at an authorized depository. If

you would like to receive Form 8109, call 1-800-829-4933. Allow 5 to 6 weeks for delivery. For more information on federal tax deposits, see Pub. 15 (Circular E).

How To Apply

You can apply for an EIN online, by telephone, by fax, or by mail depending on how soon you need to use the EIN. Use only one method for each entity so you do not receive more than one EIN for an entity.

Online. Generally, you can receive your EIN by Internet and use it immediately to file a return or make a payment. Go to the IRS website at www.irs.gov/businesses and click on Employer ID Numbers.

Applicants that may not apply online. The online application process is not yet available to:

- Applicants with foreign addresses (including Puerto Rico),
- Limited Liability Companies (LLCs) that have not yet determined their entity classification for federal tax purposes (see *Limited liability company (LLC)* on page 4),
- Real Estate Investment Conduits (REMICs),
- State and local governments,
- Federal Government/Military, and
- Indian Tribal Governments/Enterprises.

Telephone. You can receive your EIN by telephone and use it immediately to file a return or make a payment. Call the IRS at 1-800-829-4933. (International applicants must call 215-516-6999.) The hours of operation are 7:00 a.m. to 10:00 p.m. local time (Pacific time for Alaska and Hawaii). The person making the call must be authorized to sign the form or be an authorized designee. See *Signature* and *Third Party Designee* on page 6. Also see the *TIP* below.

If you are applying by telephone, it will be helpful to complete Form SS-4 before contacting the IRS. An IRS representative will use the information from the Form SS-4 to establish your account and assign you an EIN. Write the number you are given on the upper right corner of the form and sign and date it. Keep this copy for your records.

If requested by an IRS representative, mail or fax (facsimile) the signed Form SS-4 (including any Third Party Designee authorization) within 24 hours to the IRS address provided by the IRS representative.

Taxpayer representatives can apply for an EIN on behalf of their client and request that the EIN be faxed to their client on the same day. Note. By using this procedure, you are authorizing the IRS to fax the EIN without a cover sheet.

Fax. Under the Fax-TIN program, you can receive your EIN by fax within 4 business days. Complete and fax Form SS-4 to the IRS using the Fax-TIN number listed on page 2 for your state. A long-distance charge to callers outside of the local calling area will apply. Fax-TIN

Other nonprofit organization. Check this box if the nonprofit organization is other than a church or church-controlled organization and specify the type of nonprofit organization (for example, an educational organization).

If the organization also seeks tax-exempt status, you must file either Package 1023 or Package 1024. See Pub. 557 for more information.

If the organization is covered by a group exemption letter, enter the four-digit group exemption number (GEN). (Do not confuse the GEN with the nine-digit EIN.) If you do not know the GEN, contact the parent organization. Get Pub. 557 for more information about group exemption numbers.

If the organization is a section 527 political organization, check the box for **Other nonprofit organization** and specify "section 527 organization" in the space to the right. To be recognized as exempt from tax, a section 527 political organization must electronically file Form 8871, Political Organization Notice of Section 527 Status, within 24 hours of the date on which the organization was established. The organization may also have to file Form 8872, Political Organization Report of Contributions and Expenditures. See www.irs.gov/pologrs for more information.

Plan administrator. If the plan administrator is an individual, enter the plan administrator's SSN in the space provided.

REMIC. Check this box if the entity has elected to be treated as a real estate mortgage investment conduit (REMIC). See the Instructions for Form 1066 for more information.

State/local government. If you are a government employer and you are not sure of your social security and Medicare coverage options, go to www.ncsssa.org/ssafames.html to obtain the contact information for your state's Social Security Administrator.

Limited liability company (LLC). An LLC is an entity organized under the laws of a state or foreign country as a limited liability company. For federal tax purposes, an LLC may be treated as a partnership or corporation or be disregarded as an entity separate from its owner.

By default, a domestic LLC with only one member is disregarded as an entity separate from its owner and must include all of its income and expenses on the owner's tax return (for example, Schedule C (Form 1040)). Also by default, a domestic LLC with two or more members is treated as a partnership. A domestic LLC may file Form 8832 to avoid either default classification and elect to be classified as an association taxable as a corporation. For more information on entity classifications (including the rules for foreign entities), see the instructions for Form 8832.

Do not file Form 8832 if the LLC accepts the default classifications above. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832. See the Instructions for Form 2553.

Complete Form SS-4 for LLCs as follows.

• A single-member domestic LLC that accepts the default classification (above) does not need an EIN and generally should not file Form SS-4. Generally, the LLC should use the name and EIN of its owner for all federal tax purposes. However, the reporting and payment of employment taxes for employees of the LLC may be made using the name and EIN of either the owner or the LLC as explained in Notice 99-6. You can find Notice 99-6 on page 12 of Internal Revenue Bulletin 1999-3 at www.irs.gov/pub/irs-irbs/irb99-03.pdf. (Note. If the LLC applicant indicates in box 13 that it has employees or expects to have employees, the owner (whether an individual or other entity) of a single-member domestic LLC will also be assigned its own EIN (if it does not already have one) even if the LLC will be filing the employment tax returns.)

• A single-member, domestic LLC that accepts the default classification (above) and wants an EIN for filing employment tax returns (see above) or non-federal purposes, such as a state requirement, must check the "Other" box and write "Disregarded Entity" or, when applicable, "Disregarded Entity—Sole Proprietorship" in the space provided.

• A multi-member, domestic LLC that accepts the default classification (above) must check the "Partnership" box.

• A domestic LLC that will be filing Form 8832 to elect corporate status must check the "Corporation" box and write in "Single-Member" or "Multi-Member" immediately below the "form number" entry line.

Line 9—Reason for applying. Check only one box. Do not enter "N/A."

Started new business. Check this box if you are starting a new business that requires an EIN. If you check this box, enter the type of business being started. Do not apply if you already have an EIN and are only adding another place of business.

Hired employees. Check this box if the existing business is requesting an EIN because it has hired or is hiring employees and is therefore required to file employment tax returns. Do not apply if you already have an EIN and are only hiring employees. For information on employment taxes (for example, for family members), see Pub. 15 (Circular E).

You may have to make electronic deposits of all depository taxes (such as employment tax, excise tax, and corporate income tax) using the Electronic Federal Tax Payment System (EFTPS). See Federal tax deposits on page 1; section 11, Depositing Taxes, of Pub. 15 (Circular E); and Pub. 966.

Created a pension plan. Check this box if you have created a pension plan and need an EIN for reporting purposes. Also, enter the type of plan in the space provided.

Check this box if you are applying for a trust EIN when a new pension plan is established. In addition, check the "Other" box in line 8a and write "Created a Pension Plan" in the space provided.

Banking purpose. Check this box if you are requesting an EIN for banking purposes only, and enter the banking purpose (for example, a bowling league for depositing dues or an investment club for dividend and interest reporting).

Changed type of organization. Check this box if the business is changing its type of organization. For example, the business was a sole proprietorship and has
