revised
Paul Steinberg*

We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

Limited liability companies are either member-managed or manager-managed, not both. Member-managed companies are managed by the members of the limited liability company. Manager-managed companies are managed by non-members. Please amend your document to reflect either the limited liability company is member-managed or manager-managed. If the limited liability company is member-managed, list the names and addresses of the members who will manage the company and identify them solely as managing members. If the limited liability company is manager-managed, list the names and addresses of the non-members who will manage the company and identify them solely as managers. You cannot list both managers and managing members.

If you have any questions concerning the filing of your document, please call (850) 245-6094.
