RE: Annual UBR 2006
Curb Appeal, LLC
Document #L05000076246

To Whom it May Concern:

Recently I received a Notice of Dissolution or Revocation of my corporation. I was very surprised to received this notice as I have been very diligent to file and pay timely the various forms and fees necessary to operate as a corporation.

While doing research as to how this error occurred, I was made aware that you have recently changed the format of the January notification in an effort to economize. It has been my experiences in the past that I will receive an 8 1/2 X 11 green booklet in January and upon investigation, was informed that your usual booklet has been replaced by a small postcard. I put it to your that this postcard does not look like a usual invoice or bill and far from what I have come to expect from your office. I'm sure that your postcard was simply discarded in the accounts payable department. This was not a disregard of our responsibilities but simply an error that was not noticed until this Dissolvement Notice arrived.

I am enclosing the annual filing fee of \$150 now. I am asking that you abate the large penalty on the grounds that my history bares me out to be a good corporate citizen and that your choice to alter the regular report in such a dramatic fashion caused the oversight. I have reviewed your new format with my accounts payable department to eliminate this occurrence in the future. Thank you for your consideration.

Sincerely,

Robert Fazio
President
