Yes, I know this but I entered a FEI number in error from one of our other Companies (Rockmont Capital, LLC FEI# 20-0654917, Document # L04000006534) Rockmont Capital is the MGRM for Berry Town Center OC, LLC which does not have a FEI#.

FEI numbers are required by statute to be reported to the Division of Corporations yearly on the annual report (s.607.1622(1)(d)). The annual report cannot be filed without the FEI#. Chapter 119, F.S. requires all data received by our office to be placed on, and available from, a public record database. Social Security numbers (which we do NOT collect) are restricted under Chapter 119 from being placed on a public record database but FEI#s are not. Other state agencies rely on FEI#s for verification of business entities and they rely on our data to do so. FEI#s do serve a purpose and are used for numerous reasons.

Thank you.
