## VIA CERTIFIED U.S. MAIL - RETURN RECEIPT RÉQUESTED

To Whom It May Concern:

I was employed as the Chief Operating Officer of Quality Pathways, LLC from November 1st, 2006 to September 16th, 2007. Information has recently come to my attention that has confirmed concerns I formed about the day to day operations of that company over ten (10) months ago. I resigned my position with Quality Pathways over eight (8) months ago because of irreconcilable professional differences in philosophy and day to day operations with the founders Vincent Albanese, Jr. and Glenn Simpson. Be advised that I have had nothing to do with the founders or the company since September 16th, 2007.

On April 17th, 2008 I received an IRS Partnership Form 1065 Schedule K-1 from the accounting firm employed by Quality Pathways, LLC. I have no knowledge of any alleged partnership outside my duties as Chief Operating Officer, all of which ended on September 16th 2007. I have demanded proof of this alleged partnership, but none has been provided to date.

On May 24th, 2008 I received correspondence from the U.S. Postal Service indicating that I was still employed by Quality Pathways, LLC. Upon investigation of this matter, I learned that my name was not removed as Registered Agent with the Department of State until January 15th, 2008 – four months after my resignation was effective. I also learned that my name was not removed as a manager of that company until March 27, 2008 – over 6 months after my resignation was effective.

The purpose of this correspondence is to publish the fact that I have had nothing to do with this company since September 16th, 2007 – despite the improper recordkeeping and documentation by the principals of that company.

Sincerely,

Sheron A. Maksimowicz (formerly Sheron Leto)

Meron a. Matimouring
