Reinstatement Department

On June 23rd I went on-line to file/renew the Annual Report for The Institute of Safety and Risk Management Training, LLC in the amount of \$538.75. In haste I neglected to read the section about filing late and how to avoid the late fee. I failed to mention that our computer had a virus and had to be sent away to be fixed for 2 months at which time we lost all data, everything and had to start all over, as a result we never received the reinstatement notice. What steps can we take to have the late charge waived and money credited back to our American Express?
