Good Afternoon,

For the out of country addresses enter five 0's where the zip code is requested and "OC" where the State is requested and this should resolve the problem. If not please reply back or contact our Internet Access Section by phone at (850)245-6939 for assistance.

Good morning:

I am attempting to file our 2011 Annual Report on line and have address changes for all addresses with the exception of the RA, it continues to be CT Corp in Plantations, FL....what seems to be an additional issue with the address changes is that they no longer are in the USA but rather in Monaco, and the on line form will not accept this....please contact me as to how to proceed....I have listed our new information below....
