Limited liability companies are either member-managed or manager-managed - not both. Member-managed companies are managed by the members of the limited liability company. Manager-managed companies are managed by non-members. Please amend your document to reflect either the limited liability company is member-managed or manager-managed. If the limited liability company is member-managed, list the names and addresses of the members who will manage the company and identify them solely as managing members. If the limited liability company is manager-managed, list the names and addresses of the non-members who will manage the company and identify them solely as managers. You cannot list both managers and managing members.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.
