Re: Coast 2 Coast Technologies, LLC; Document No. L06000016754

To Whom It May Concern:

As communicated in a phone conversation on Thursday, April 6, 2006, with Deborah from Division of Corporations, please disregard the latest filing for the referenced limited liability company – i.e. the Articles of Amendment to Articles of Organization to change the company's name to Bridging Technologies, LLC. I understand that my operating account check no. 701 in the amount of \$55.00, which was sent with that filing, may have been processed already. If possible, please issue a credit for the cancelled transaction. If the Articles of Amendment already have been filed, then we will understand if it is not possible to refund the filing fee.

In any event, please proceed with filing the enclosed Articles of Amendment to Articles of Organization for Coast 2 Coast Technologies, LLC (hereafter, named Argus Technologies, LLC). They should suffice for either replacing or supplementing the prior filing. I have enclosed my operating account check no. 702 for \$55.00 payable to Division of Corporations to cover the filing fee and one (1) certified copy. Please return the certified copy of Articles and a check for the credit to me as soon as possible.

We apologize for any confusion we may have caused. Please call if you have any questions. Your assistance is greatly appreciated.

Yours truly,

C. William Curtis, III
