To Whom It May Concern:

This communication relates to the following entity:

Entity name: JLM Investment Group, LLC  
Document #: L06000027497

During this year's annual report filing process, I encountered several issues trying to make the filing fee payment through the credit card vendor's website. I had tried making multiple attempts to make the payment prior to the filing deadline, and the problem persisted. It was only after I put several billing support requests to the vendor, which expanded over a timeline that took me beyond the filing fee deadline, that I was finally able to get some support.

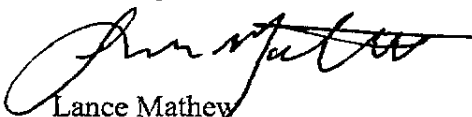

In the end, I had to make the payment over the phone. The late fee was charged because the actual date that the payment was made over the phone was after the filing date. However, I had attempted several times to make the payment prior to the filing date. If there were no issues with the credit card vendor's payment system, I would have gotten the payment in before the deadline and not have had to pay a late fee. Therefore, I do not think it is appropriate that I was charged the late fee and I am requesting that I be refunded that amount.

Here is the information related to the refund request:

Amount paid (including late fees): \$538.75  
Return Address: 44 Peachtree Place NE, Unit 1328, Atlanta, GA 30309  
Make check payable to: Lance Mathew
