government, or governmental authority, or of any political or administrative subdivision, or department, and to perform and carry out, assign, cancel, or rescind any of such contracts.

(5) To do everything necessary, proper, advisable, or convenient for the accomplishment of any of the purposes, or the attainment of any of the objects, or the furtherance of any of the powers set forth in these Articles, either alone or in association with others incidental or pertaining to, or going out of, or connected with its business or powers, provided the same shall not be inconsistent with the laws of the State of Florida.

The several clauses contained in this statement of the general nature of the business or businesses to be transacted shall be construed as both purposes and powers of this limited liability company, and statements contained in each clause shall, except as otherwise expressed, be in no way limited or restricted by reference to or inference from the terms of any other clause. They shall be regarded as independent purposes and powers.

Nothing contained in these Articles shall be deemed or construed as authorizing or permitting, or purporting to authorize or permit the limited liability company to carry on any business, exercise any power, or do any act which a limited liability company may not, under Florida laws, lawfully carry on, exercise, or do.
