Dear Florida Dept of State Division of Corporations:

I would like to learn how to get dis-associated from the LLC listed below.

I had nothing to do with the creation of this LLC and never gave my authorization to Deanna Barrington to use my name and my domain name as part of her LLC filing.

I own the domain name of Motheraturesdiet.com, and was previously a friend of this woman until I found out that she was sent to prison for fraud and tax evasion.

She filed it by herself and for herself. I did not want to start any business with her or her husband John Barrington because of their problems. She got me involved to lock in my domain name and maybe to profit from it. So tell me what I have to do to remove myself from any connection with them and this LLC.

I was told that I had to resign as manager/member even though I had nothing to do with the creation of this LLC.

I protest this fee and obligation enforced on me—Please do not connect me any more with this LLC. And remove me from any connection to this LLC.
