You can reply back to this email with a change to the principal office and/or mailing address for your registered entity and the Division's records will be updated. Please provide the entity name and assigned document number.

Thanks,

Mike

Subject: Address Change for a LLC

To Whom it May Concern:

My husband is a deputy with the Pinellas County Sheriff's Office and I know that many organizations allow you to opt out of providing a home address on documentation however, we have yet to find a way around omitting our home address from our business records.

Could you please inform me as to how we may be able to do this as it is not in our best or safest interest to have our personal address listed under our company name, which is SeaSide Marine Supply & More, LLC.

I would appreciate any information you could provide me on this matter.

Sincerely,

· Sheri Wojciechowski
