To Whom This May Concern,

I emailed 5 days ago concerning my EIN number needing to be corrected. It currently has my social security number, which I feel is a major security issue for me and would like this changed to my actual EIN # ASAP. My document number is L06000088666. The correct EIN is 205628412. Thank you.

Hello,

Our EIN number on file is incorrect. You currently have my social security number as the EIN, which is wrong. The correct EIN number for the company is 205628412. If you need any other information to proceed with the update please let me know. Thank you.
