Yes this was the first time to apply for Uniform Business Report on Internet, and thought all was fine and taken care of because we got a confirmation # 100017144001 and was told by computer transaction was complete.

But last week we got a notice and a late Report Form, I automatically called Corporation Office and after going thru several phone numbers and recording got a hold of Leslie at Corporation Division Office and she explain that she could see we applied for but not completed, so I why not she could not say so Leslie suggested we check our Credit Card records to see if charged, and if not just send the \$150.00 with letter to Division of Corporations also here is extra \$8.75 because that is what I thought was charged to Division of Corporations, so here is a check for the amount, and we will pay as normal by mail.
