Dear Sirs:

We are submitting herewith our report for the year 2008.

We started our business in June 2007 and filed our initial report. We are two young people starting a business and we were totally unaware that the report has to be filed annually. We recently engaged an accountant and he informed us that the report needed to be filed for Year 2008.

We never received the form for Year 2008. If we had received it, we would have filed. We are only 16 days late.

Accordingly, we earnestly request that you honor our filing and omit the penalty.

Sincerely,
