Hi Rebecca

I hope this email finds you well

I just got off the phone with Kristy M. She guided me to communicate with you regarding letter # which is a false accusations

#1. 800 West Av #244 is a home address and someone is usually there 24/7 Nobody has ever knocked on my door. Further the front desk would have called me first so if I would have stepped out for breakfast or lunch I would have been notified. Further our registered address and IF you would have checked Myfloridalicense.com/dbpr you would see that our registered address is 1688 Meridian Av #700 Miami Beach FL 33139 which has someone there M-F 9am-5pm whereby process could be served therefore this is false information

Kindly check your work before mailing me false info

Further Global Luxury Realty.com LLC is a referral company and has done ZERO transactions because it is only a referral company for agents who wish to have an active real estate license without having to pay MLS and Association of Realtors fees. When they want to do a transaction they must transfer back to Global Luxury Realty LLC our active company

Unfortunately you have been misinformed

Please advise if I need to take further action

Further you will see that all of my annual reports are filed in a timely manner
