To whom it may concern,

I am writing requesting refund of the late penalty assessed my business. My major reason is I did not receive prior notice for the deadline and fearing dissolution or revocation, I paid the penalty. I would not have purposefully failed to file my report, since I am a small business and cannot afford to face such a penalty.

I gave my reasons for by request when filing online; but the online filing system did not forward my request. I receive an email from the internet section who instructed me to contact you via mail. I hope this is sufficient. If not please let me know. Please send the refund to the address below.

Thanking you in advance,

Thoreau J. Nellum
