To Whom It May Concern:

I wish to form a Limited Liability Company with the fictitious name I have already procured, geographymadefun. The purpose of this company will be to produce and market a geography game that I have developed and copyrighted. I will have the various components of the game produced at several different locations and shipped to my home where I will put them together, then market them, initially and mainly to schools. As time goes on, and I can produce enough games, I will try to market the game, "Knotted Navigators," to the general population. I will be the manager of this LLC. For any further information, you may call me at 321-773-3692, my home phone number.

Sincerely,

*Leslie Ann Curry*
