**Subject:** Address Change L08000002503

To whom it may concern

Last month I filed for one of our managing members to be listed as retired and at that time I specified an address change for the business and for the mailing address. I am on sunbiz.com and I am seeing that the principal address has been changed but the mailing address has not.

Can this please be corrected.... The mailing address should be the same as the principal address.
