We will be happy to update our records, we just need a copy of legal document referencing the change of legal name (marriage certificate).

Thank You,

Good morning.

Our annual report was filed without my name change. I took my husband's last name and would like it to be on record. I sign land agreements and they request the names be the same as listed on our corporate docs. If you would let me know how to do this, I'd greatly appreciate it.

Kindest regards,
Chassey
