Statement of Fact

I am writing this statement on behalf of Bryan Scott, Managing Member of Barn Light Electric Company, LLC.

On August 9th I received an email stating there was a recent change or filing on the Florida Department of State, Division of Corporations' records. After a search of our account, I concluded someone had changed the addresses related to all aspects of our corporate records. I immediately contacted the owner of Barn Light Electric, Bryan Scott, to verify he had not made any changes to the records. We determined that an unauthorized person changed our records with the intent of fraud. I contacted the Division of Corporations and was told our only recourse was to initiate a filing to change it back to the correct address. I corrected the address following day as instructed.

I swear all aspects of this statement are true to the best of my knowledge.
