**ARTICLES OF AMENDMENT TO
ARTICLES OF ORGANIZATION FOR
VORTEX ENGINEERING, LLC**

Vortex Engineering, LLC, a Florida limited liability company (the "Company") desires to amend its articles of organization (the "Articles of Organization"), and pursuant to Florida Statutes section 605.0202, hereby adopts and submits the following:

FIRST: The Articles of Organization were filed on February 19, 2008, to be effective as of February 18, 2008, and were assigned document number L08000017821.

SECOND: The following Article VII is added to the Articles of Organization:

Article VII

The membership units authorized to be issued by the Company shall be One Hundred (100) voting membership units, par value \$.01, designated as "Class A Voting Membership Units", and Nine Thousand Nine Hundred (9,900) nonvoting membership units, par value \$.01, designated as "Class B Nonvoting Membership Units". Each Class A Voting Membership Unit shall entitle the holder to one vote as a member of the Company. Each Class B Nonvoting Membership Unit shall not entitle the holder to any vote as a member of the Company. The attributes of the Class A Voting Membership Units, and the attributes of the Class B Nonvoting Membership Units, shall be identical, except that the holders of the Class A Voting Membership Units shall have voting rights and the holders of the Class B Nonvoting Membership Units shall not have any voting rights. All or any part of said membership units may be paid for in cash, in property, or in labor or services at a fair valuation to be fixed by the manager or managers of the Company at a meeting called for such purposes. All membership units then issued shall be paid for and shall be nonassessable.

THIRD: Immediately prior to the creation of the Class A Voting Membership Units and the Class B Nonvoting Membership Units, One Hundred (100) membership units of the Company's authorized single class of Ten Thousand (10,000) membership units, par value \$.01, are issued and outstanding and are represented by one certificate of membership units (the "Issued Membership Units"). In order to implement the aforesaid Article VII of the Articles of Organization, the Issued Membership Units shall be cancelled, and each Issued Membership Unit shall be exchanged for and replaced with ten Class A Voting Membership Units and with ninety Class B Nonvoting Membership Units. The effects of said cancellation, exchange, and replacement are that the Issued Membership Units will no longer exist, that One Hundred (100) Class A Voting Membership Units will be issued and outstanding, that Nine Thousand Nine Hundred (9,900) Class B Nonvoting Membership Units will be issued and outstanding, that new certificates representing those Class A Voting Membership Units will be issued by the Company and designated as "Class A Voting Membership Units" or with a similar designation, and that new certificates representing those Class B Nonvoting Membership Units will be issued by the Company and designated as "Class B Nonvoting Membership Units" or with a similar designation.
