RE: CLC Investments Group LLC
Document Number L08000027116

To whom it may concern;

The following is in regards to my company Articles of incorporation and an error on the EIN Number that is reported in the State Records.

Recently I applied for a line of credit thru my Company checking account at BBT Bank, and I have come to find out that the EIN Number that I believed was the corresponding one to my company is not the one reported in the State records.

My Company original EIN number was 262468706 but now it is showing 204109309. I recently reinstated my company and I am not sure if there was an error at the time of reinstatement. I would like to correct this as soon as possible.

At your earliest convenience please inform me as to which are the steps to correct this error, also, to obtain a copy of the Articles of Incorporation that have been misplaced and update the mailing address.

Your prompt response is greatly appreciated and if you have any additional questions or comments, please don't hesitate to contact me immediately.
