**ARTICLE IV: DURATION OF COMPANY'S EXISTENCE;
MEMBER WITHDRAWAL OR RESIGNATION**

(A) This Company shall have perpetual existence.

(B) No member of this Company may resign or withdraw prior to the dissolution and winding up of this Company, except upon the unanimous affirmative action or written consent of the Company's members entitled to vote with respect thereto (and specifically excluding the member(s) seeking to resign or withdraw). Notwithstanding the foregoing, nothing contained in this Article IV(B) shall prevent a person's termination as a member of this Company upon the suffering of an event described under Section 608.4237 of the Florida Limited Liability Company Act, as amended (the "Act") or its successor provision.

ARTICLE V: PURPOSE AND POWERS

This Company may engage or transact in any and all lawful activities or business permitted under the laws of the United States, the State of Florida or any other state, country, territory or nation in which the Company choose to engage in business activities.

ARTICLE VI: ADDITIONAL MEMBERS

No person may be admitted as a member of or to this Company unless formally admitted pursuant to the affirmative action or written consent by not less than a majority-in-interest (as defined under the Act) of this Company's members entitled to vote with respect thereto, and then only in strict compliance with any or all other applicable terms or conditions that may be provided in this Company's articles of organization or its operating agreement. Nothing contained in this Company's articles of organization shall be construed or interpreted as prohibiting this Company's operating agreement from requiring a greater or higher number or percentage in interest for approval, if otherwise permissible under the Act.

ARTICLE VII: ASSIGNMENT OF INTEREST; NO RIGHTS AUTOMATICALLY VESTED

(A) Prior to the dissolution and winding-up of this Company, no interest in this Company of any kind whatsoever shall be transferable or assignable, in whole or in part, directly or indirectly, voluntarily or involuntarily, whether by any member of this Company or any transferee, assignee or other holder who is not a duly admitted member, except upon the unanimous affirmative action or written consent of this Company's members entitled to vote with request thereto and then only in strict compliance with any and all other applicable terms or conditions that may be provided in this Company's articles of organization or operating agreement.

(B) Any transferee, assignee or other holder of any interest of any kind in this Company, who at the time of any transfer or assignment (or other event purporting to transfer or assign any rights relating to any interest in this Company) shall not be a duly admitted member of or to this Company, shall have no vested right, privilege or other entitlement to become or to be admitted as a member of this Company (or to cause this Company to admit any such person as a member) solely by reason of any such transfer, assignment or other event whereby such person acquires possession or ownership of any such interest. Accordingly, no transferee, assignee or other holder of any interest of any kind in this Company, without being a duly admitted member of this Company, shall have any right, privilege or entitlement to otherwise exercise any right or power of a member of this Company (including without limitation exercising any right or power to vote on any matter concerning any aspect of this Company's business or affairs on account of or with respect to any such interest) or, if otherwise allowable to this Company's members pursuant to the Company's articles of organization, to participate in the management of this Company's business and affairs. Accordingly, no transferee,

assignee or other holder of any interest of any kind in this Company shall, without being a duly admitted member of this Company, have or possess any right, power or authority to grant to or appoint any other person as (including any current member of this Company) a proxy to vote any such interest or with respect to any such interest for any Company matter.

(C) Any transfer or assignment of any interest in this Company, or grant or appointment of any proxy, which is not expressly permitted under this Company's articles of organization or operating agreement (or if permitted, not made in strict accordance with any and all applicable terms or conditions contained therein), shall be void and without any force or effect.

ARTICLE VIII: AMENDMENTS

This Company's articles of organization or operating agreement may only be amended pursuant to the affirmative action or written consent of not less than a majority-in-interest (as defined under the Act) of this Company's members entitled to vote with respect thereto (provided, however, that nothing contained in this Company's articles of organization shall be construed or interpreted as prohibiting this Company's operating agreement from requiring a greater or higher number or percentage-in-interest for such purposes, if otherwise permissible under the Act). All amendments, alterations, revisions, restatements or repeals of this Company's operating agreement shall be consistent with this Company's articles of organization then in effect, and shall be in writing. No amendment, alteration, revision, restatement or repeal of or to any provision contained in either this Company's articles of organization or its operating agreement need be in certified form, so long as such writing is signed by the requisite number of members (or, as the case may be, managers) and entered into the Company's official records.
