STATEMENT OF FACT

Please accept this as my statement of fact concerning the amended address changes that occurred on August 6th and August 10th, 2020 to my business, Above All Tent Rental LLC, document # L08000055570.

Those changes were not authorized by me, Ronald E. Woodfine, owner of Above All Tent Rental LLC and are fraudulent.

The individual fraudulently posed as me and changed the address. That address change was used to fraudulently open a bank account under my social security number and business federal ID number in order to obtain an SBA disaster loan.

The business, since inception, has always been located at 5946 Boggs Ford Road, Port Orange, FL 32127 and continues to be located there. It has never had a business or mailing address in Lauderhill or Lauderdale.

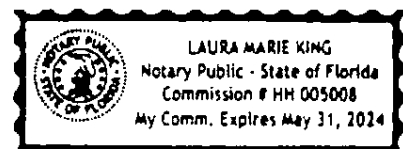

Please find attached my driver's license, certificate of registration and the amended annual report payment voucher. On that voucher, I have marked to please waive the fee due to fraudulence according to your instruction.

Thank you for your assistance in this matter. Please advise when this has been corrected.
