Dear Ms. McKnight,

This letter is in reference to Liban Fashions, LLC, document #L08000059386. Enclosed you will find a letter I received returning a Statement of Correction I sent back in November, along with corrected documents removing me from Liban Fashions, LLC. I filled these out as instructed; however, I do not wish my personal information to be scanned into public record. I have no affiliation with Liban Fashions nor do I have any association with Shequita Herring whom it appears is the person responsible for adding me to the record of this company. This information was added without my consent.

I respectfully request to have my information (name, address and any associated information) be removed from the listing for Liban Fashions, both in change documents and any and all remaining public record.

Sincerely,

Theodore DelNegri
