In Re: Name change and EIN Number/change or correction?

Good Afternoon:

I am in the process of purchasing an existing wine store franchise. I incorporated an LLC in 2008 and changed the name to Corks & Cocktails LLC in July 2009. I had opened a bank account under the old name but never did anything with the company.

I signed a contract to purchase the wine franchise store last month. I went to the bank to change the name or open a new account for the new company. It was suggested that I just close the old account and open a new one. In order to do that I needed a new EIN number. I obtained a new EIN number that I have been using for the purchase documents, banking, and for the department of revenue (sales tax and employment taxes, etc) which is 27-2529109.

Do I need to submit a form or document to you stating or showing the new EIN number?

Thank you in advance for your assistance.
