Subject: fein change for Diamond Rough Production, LLC

I am the managing member for Diamond Rough Productons, LLC,. I need the sunbiz website to show our proper fein number as it is now showing an incorrect number and it is causing an issue with one of my clients as they try to verify my company. Please have the number changed to the correct fein number which is 80-0524770. Thank you and please let me know if I need to do anything further and how long this process will take.
