The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity. Section 608.408, Florida Statutes, was amended effective July 1, 2007, to require the name of a limited liability company to be distinguishable from the names of all other filings filed with the Division of Corporations, except for fictitious name registrations and general partnership registrations.

Please select a new name and make the correction in all the appropriate places. One or more words may be added to make the name distinguishable from one presently on file. Adding of Florida or Florida to the end of the name is acceptable.
