FIRST: The Articles of Organization were filed on January 21, 2009 and assigned
document number 109000006647

SECOND: This Amendment is submitted to amend the following:

ARTICLE VI - Indemnification:

A. The company shall indemnify any person who is or was a party, who is threatened to be made a party, to any threatened, pending, or completed action, suitor proceeding, whether civil, criminal, administrative, or investigative, including all appeals, by reason of the fact that he or she is or was a member, managing member, or employee of the company, or is or was serving at the request of the company as a director, trustee, officer, or employee of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise, against any and all expenses (including reasonable attorney's fees) judgments, decrees, fines, penalties, and amounts paid in settlement, which were actually and reasonably incurred by him or her in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner which he or she reasonably believed to be in, or at least not opposed to, the best interests of the company, and with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or plea of nolo contendere, or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or at least not opposed to, the best interest of the company.

B. The foregoing indemnification shall not apply in the case of an action, suit, or proceeding instituted by one or more members of the company, if the claim, matter, or issue raised therein is determined by a court of competent jurisdiction to have resulted from the negligence or misconduct of the member(s) seeking indemnization; provided, however, that such indemnification shall nonetheless apply if, in view of all of the circumstances of the case, such court shall determine that such member(s) is/are fairly and reasonably entitled to indemnification, with respect to such expenses, judgments, decrees, fines, penalties, and amounts paid in settlement as determined by the court.

C. Expenses of each person indemnified hereunder, incurred in defending against a civil, criminal, administrative, or investigative action, suit or proceeding (including all appeals), or threat thereof, may be paid by the company in advance of the final disposition of such action, suit, or proceeding, as authorized by a majority in interest of the members, upon receipt of an undertaking by such person to repay such amount unless it shall ultimately be determined that he or she is entitled to by indemnification by the corporation.
