Hello Jeraline,

The amendment I had filed removed Michael Mishler as a manager. I had previously filed an amendment adding me as a managing member (see attached). I need to have Mr. Mishler's name removed and mine added as the only managing member. This was the intention of the second amendment that shows Mr. Mishler being removed. I did not add my name as a manager because the first amendment had already done that. Can this be accomplished without filing an additional amendment?
