We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity. Section 608.406, Florida Statutes, was amended effective July 1, 2007, to require the name of a limited liability company to be distinguishable from the names of all other filings filed with the Division of Corporations, except for fictitious name registrations and general partnership registrations.

Please select a new name and make the correction in all the appropriate places. One or more words may be added to make the name distinguishable from the one presently on file. Adding of Florida or Florida to the end of the name is not acceptable. A search for name availability can be made on the Internet through the Division's records at www.sunbiz.org.

Please note the name of a limited liability company must end with the words Limited Liability Company, the abbreviation L.L.C., or the designation LLC. The word Limited may be abbreviated as Ltd. and the word Company may be abbreviated as Co. The following suffixes are no longer acceptable: Limited Company, L.C., and LC.

The document number of the name conflict is F06000001273.
