Subject: RE: question

Hello,

I noticed that the address was changed in the principal and mailing address section. Thank you very much. However, my personal address is still listed under Manager/Member Detail. I've noted our corporate document number and the manager / member information below. Is there any way to change the Manager/Member Detail to the same address as the principal and mailing address? If not, can the address just be removed?

Thanks again for all your assistance.
