Subject: FEI and address update

I own an LLC that has a DBA. The DBA is not linked to the LLC though. I must have misunderstood when filing. The owner of the Fictitious Name is myself and partners personally, when it should be the LLC. Can you change this or tell me how to? The address needs to be updated also. Info. below:

JMacMillan LLC, L09000046717

DBA= "The Lion and the Mermaid Bookstore" G09000119042

FEI #27-0168438

New Address: 28 Cuna St.
St. Augustine, FL 32084

Let me know what you can do.

Thanks,

John MacMillan
