To the service concerned,

I am a member of DMC Communications LLC, where so much disagreement occurred between the two members before any business could get off the ground. No business began and I have no news from David Costantino since the opening of the company.

I have two solutions closing this company as if, I invested money, or the second to take off my name as member.

Thank you for telling me the best solution for my case, dissolution or resignation of My name.

Best Regards.
