**Subject:** Corporation Listing

We converted our company to an LLC. The new LLC should have received the FEIN from the old corporation. When you pull up the data on the new LLC, it shows FEIN as None. This is causing some confusion with our customers, since they can't verify that the new LLC has the same FEIN.

Please add the FEIN to the new LLC as follows:  
Old Corporation FEIN 59-1053166      New LLC Document L09-000052726

Thank you for your cooperation.
