Importance: High

Mr. King,

We have been advised that the principal office and registered office addresses currently listed on our records for KING MARKETING AND CONSULTING, LLC, Florida document number L09000084818, are invalid. These deficiencies must be corrected on our records on or before June 30, 2010 or this entity will be administratively dissolved on our records. This email shall serve as your 60 days notice.

You may correct these addresses when you file your 2010 Limited Liability Company Annual Report, which is due on or before May 1, 2010. Or, you may file a Registered Agent and/or Registered Office Change form. Please note your limited liability company must file an annual report form each and every year beginning this year to keep the limited liability company active on our records. Failure to file the report will result in the administrative dissolution of the limited liability company. The fee to file a limited liability company annual report filing is \$138.75 if it is filed on or before May 1st. After May 1st an additional \$400 late fee may be imposed.

We strongly suggest that you make the address changes on your 2010 annual report filing since it is due on or before May 1st and must be filed to keep the limited liability company active on our records. The report must be filed online. To file the report simply visit our website www.sunbiz.org and click on the blue box in the middle of our home page entitled "File Your Current Annual Report or Amended Annual Report." You may pay the fee online using a credit card or you may pay by check. Simply follow the prompts to file the report and submit your payment.

You may, however, submit a separate Registered Agent and/or Registered Office Change form to correct these addresses on our records. The fee to file this form is \$25. Again, this form is not necessary if the registered office and principal office addresses are changed on the report. You may download the appropriate form and instructions for changing the registered office address on our records by clicking on the following link:

Should you have any questions concerning this matter, please do not hesitate to contact me.

Best wishes,
